

MVGA New Business Promotion Continues

New business promotion extended: Write a piece of new business and get an Amazon.com Gift Card!

The past two months have been amazing for our new business promotion (apparently you all like to shop). We want to keep things rolling for you, so we're extending our promotion through the end of the year!

Each piece of new business written (effective through the end of the year) will earn the person that submitted the account an Amazon.com Gift Card (amounts vary at random, minimum of \$5.00 per card).

It's really that simple, so get those new submissions in now. Cards will be awarded at the end of each month, so be on the lookout for mail from us.

We are here to help, so drop us an email or call us, so we can discuss each of the accounts you are working on. Our knowledgeable and friendly staff are always looking for ways to write business! With over 90 programs and thousands of available classes across many carriers, we are a go-to source for competitive quotes.
