

PLASTIC MANUFACTURING QUESTIONNAIRE

Applicant: _____

Processing methods used: Blow Molding Extrusion Injection Molding
 Compression Molding Thermoforming Lay up Molding
 Calendering Other: _____

Detailed description of manufacturing process: _____

Type of plastics: Type 1—PVC, teflon, metamine, fomica and phonetics, other: _____
 Type 2—polyurethane, cellulose acetate and polypropylene, rubber, other: _____
 Type 3—cellulose nitrate, pryroxylin and nitrocellulose, other: _____

Is process automated, computer-operated or manual? _____

Plastic resins used: Pellets Flakes Granules Powders Liquid Paste
 Other: _____

Are electrical equipment and wiring explosion proof?..... Yes No

Are all process equipment grounded and bonded? Yes No

Does the equipment have automatic shut off? Yes No

What is the age of the processing equipment? _____

Describe any obsolete, imported or custom-made equipment: _____

What is the inspection and servicing schedule for equipment (including conveyors, hydraulic lines, etc.)? _____

How often is the electrical equipment and wiring inspected and serviced by a licensed professional? _____

Are you in compliance with NFPA 70 on electrical codes? Yes No

Are you in compliance with NFPA 77 on static electricity? Yes No

Does the production machinery have dust tight seals and explosion venting? Yes No

Do you have a trained in-house fire brigade?..... Yes No

What is the response time from the Fire Department? _____

Do you have your own water source on-site? Yes No

If yes, describe: _____

Do you have your own fire-fighting equipment on-site?..... Yes No

If yes, describe: _____

Are there grinding or finishing operations?..... Yes No

If yes, is there a shield guard? Yes No

Please provide details on these operations: _____

Are there painting or laminating operations?..... Yes No

U/L approved paint booth? Yes No

If no paint booth, describe how it is controlled: _____

Are there welding operations?..... Yes No

If yes, are hot work permits obtained?..... Yes No

Storage of Raw Material:

Is storage of raw material separated from production or finished product?

If yes, by: Firewalls Separate Building Other: _____

What is the average size of stockpiles? _____

Storage of Chemicals, Flammables or Solvents, etc.:

Is storage separated from all other operations?..... Yes No

If yes, by: Firewalls Separate Building Other: _____

What additives and catalysts are used? _____

What other flammables, chemicals or solvents are used? _____

Quantity of each: _____

Container type, size and number of gallons: _____

Are Material Data Safety Sheets on file and available?..... Yes No

Finished product: _____

Are all 55 gallon drums storing chemicals properly grounded? Yes No

Is only a single day's supply stored on the premises? Yes No

If no, how much? _____

Is storage area properly ventilated? Yes No

If no, what kind of ventilating is used? _____

Are you in compliance with NFPA 30 standards?..... Yes No

Storage of Finished Product:

Is storage of finished products separated from the production area? Yes No

If yes, by: Firewalls Separate Building Other: _____

What is the average size of stockpiles? _____

This application does not bind the applicant nor the Company to complete the insurance, but it is agreed that the information contained herein shall be the basis of the contract should a policy be issued.

FRAUD WARNING: Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information or conceals for the purpose of misleading, information concerning any fact material thereto commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties. (Not applicable in AL, CO, DC, FL, KS, LA, ME, MD, MN, NE, NY, OH, OK, OR, RI, TN, VA, VT or WA.)

FRAUD WARNING (APPLICABLE IN VERMONT, NEBRASKA AND OREGON): Any person who intentionally presents a materially false statement in an application for insurance may be guilty of a criminal offense and subject to penalties under state law.

FRAUD WARNING (APPLICABLE IN TENNESSEE, VIRGINIA AND WASHINGTON): It is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits.

APPLICANT'S STATEMENT:

I have read the above application and I declare that to the best of my knowledge and belief all of the foregoing state-ments are true, and that these statements are offered as an inducement to us to issue the policy for which I am applying. (Kansas: This does not constitute a warranty.)

APPLICANT'S SIGNATURE: _____ DATE: _____

CO-APPLICANT'S SIGNATURE: _____ DATE: _____

PRODUCER'S SIGNATURE: _____ DATE: _____

IMPORTANT NOTICE

As part of our underwriting procedure, a routine inquiry may be made to obtain applicable information concerning character, general reputation, personal characteristics and mode of living. Upon written request, additional information as to the nature and scope of the report, if one is made, will be provided.
